

PRESS RELEASE

X2.0

DRIVING DEEP-TECH GROWTH!

“X2.0. Project. Funded by the European Union under Grant Agreement No101073781. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union. Neither the European Union nor the granting authority can be held responsible for them.”

X2.0 launches the 2nd Open Call for startups in AgriTech

SMEs, startups, and scaleups in the AgriTech sector encouraged to apply and receive €30K

The [second Open Call](#) as part of €1.5M total to startups launched last week. With a focus on AgriTech, the [X2.0 Project](#) is looking for startups offering innovative and deeptech solutions to advance the agriculture sector.

Only 10 selected startups will have the chance to participate in this competitive and customized 5-month program designed to launch, develop, and scale new products, services, processes, and integrated solutions. Each beneficiary will receive €30K in Innovation Vouchers to reach the next level in their advancement with mentoring from more than 100 selected experts – known as [Impact Builders](#) (IBs) – providing tailored support and scaling services. The first Open Call in Manufacturing & Circular Economy received a great response, with 76 innovative startups applying.

Do you have a solution to disrupt the Agri-Industry?

The AgriTech Open Call is aimed at startups, scaleups, and SMEs with technologies to improve production and address challenges, especially in the context of climate change.

We seek innovative solutions, such as precision farming techniques (e.g., sensors and drones) and advanced analytics and machine learning algorithms, that help farmers make more informed decisions.

How do you apply?

Interested startups and SMEs must submit their applications on the [F6S Platform](#). Before applying, we recommend carefully reading the [Guidelines](#) providing all details on how to complete a winning application. All proposals must be in English, and any submissions made through other channels will be automatically rejected.

The deadline for submission is **June 6, 2023, at 17:00 CET** (Brussels time).

You can be one of 10 deeptech startups awarded €30K to scale, connect and generate impact! [Apply now!](#)

Our Impact Builders' Network

We have created a growing network of more than 100 validated [Impact Builders](#) (IBs), companies and individual experts from 28 countries that will provide exceptional services to the startups chosen for our X2.0 Growth Program.

The Impact Builders Community is always seeking new talent. If you would like to join, then fill out [this simple form](#). Our next cut-off date is the **5th of May 2023**.
